

Chris Sharma in Spain

Written by YDE

Tuesday, 22 January 2013 23:29

Check out this video from Climbing.com with Chris Sharma and his latest routes in Spain. Catalunya is amazing for climbing, and I have such fond memories of the place. Adventure, good weather, tons and tons of routes... maybe it's time to go back on a holiday... or maybe it's just the snowy England winter blues making me feel nostalgic. Bring on some good weather and the next climbing season *disappears into climbing cellar*
