Recent news that the Cobra Crack was climbed by two [British Climbers](#) had me pull up the old video of [Sonnie](#)

[Trotter's first ascent](#)

of the infamous Cobra Crack. Classic video, with some very inspired climbing, check it out.

Cobra Crack is a 5.14 traditional crack climb in Squamish, British Columbia, Canada. Read [her](#)
[e](#)

and

[here](#)

for further information about the region.
